# Helmets

We are proud to offer the ARAI range of race helmets.

From one of the smallest yet most respected names in helmet manufacturing, ARAI are the helmet of choice for a large number of well known race drivers including Kimi Raikkonen, David Coulthard, Giancarlo Fisichella and Scott Dixon.

## Arai GP-5 (with PED)

The Aristocrat of Arai and the choice of top Formula 1 drivers, this state of the art helmet is amazingly light and comfortable.

RRP \$2150.00 incl GST.

## Arai GP-5K

The affordable Arai. Similar in style to the GP-5 but within reach of the most budget conscious teams.

RRP \$1299.00 incl GST.

## Arai GP Jet

For competition applications where an open faced helmet is required.

From RRP \$749.00 incl GST.

Arai helmets come pre-drilled for the fitting of HANS devices.

We can arrange the fit of your device at no cost.
